

Previous week's scores are broadcast on WENG radio every Monday morning at ~7:20

I got an email update from Rudy Davis of the Englewood Senior Softball league today. With the new year underway, the league began their 33rd season this week, following a very successful new player draft last week. Nearly 70 players participated, being drafted to join 20 teams across 3 ability based divisions. Wow, that's a lot of guys. Todd Widrick and Archie King were the #1 picks in the Gold and Silver divisions, respectively, with Todd going to the Shipwreck Pub and Archie to Porter Contracting. Congrats to both those players.

As we have done for the past 8 years, we will report the scores of each week's games at around 7:25 every Monday through the season, with the first report starting this Monday, the 15th.

If you are interested in watching, games are played on the adult softball fields Tuesday thru Friday every week, starting at 9:30 am over at the Englewood Sports Complex, 1300 River Road, right across the street from the radio station. So check it out.....'these guys are good!'
