Week 2 of the Englewood Men's Senior Softball league is in the books and like week 1, games were disrupted by rainy weather. Adult softball field 1 is having difficulty draining appropriately after heavy rains, despite intense efforts by the ground crew to get it ready for play. Let's get right to the results.

Both the Silver division and Bronze division were unable to play last Tuesday due to the rains, those games will be rescheduled as soon as possible as the weather pattern doesn't look good over the next month.

The Bronze division was able to kick off their season last Thursday, with the Classics doubling up the Legends 16 to 8 and the Elders edging the Relics 17 to 16.

The Silver division welcomed two new sponsors this week, each making their debut in Thursday's Silver division games. Warrior Homes, formerly the Purple Panthers, came from scored 4 in the bottom of the seventh to edge Artur's Restaurant 18 to 17, despite a home run from Mike Simmonds of Arturs; Grumpy's Hot Dogs, formerly the Englewood Elks, dropped a close one to Caddy Carts 15 to 13. Grumpy's has some great dogs, by the way. In the other games, Designer Tee's up-ended Porter Contracting 16 to 13 while Libee's Sport Bar squeaked by Xpertech Auto Repair 12 to 10. And in a make-up game played on Saturday, Libee's Sports Bar edged Porter Contracting 11 to 10. Boy, a lot of close games this week in the Silver division.

The Gold division was able to get 3 of 4 games in on Wednesday, with field 1 once again being unplayable. The early game on field 1 was moved to a 12:30 time slot on field 2. In the games played on Wednesday, The Hitmen squeaked by the Shipwreck Pub 17 to 15. New Faull Inn topped Ken & Barb's Restaurant 10 to 6 in a low scoring affair, while the Englewood Moose handily beat the End Zone Sorts Bar 23 to 10, with Mike Vaught hitting a two run blast for the Moose, his second of the year the 4th game. Ken & Barb's game against Key Agency was postponed to a later date.

And, as has become too common so far this season, Friday's Gold division games were postponed due to rain.

So, with second week of postponed games, and the ongoing forecast looking a little bit better, the league moves in to a situation where making up games get complicated. There are make-ups set for the next two Monday's, a couple of double headers for a few of the teams.

None the less, we invite all fans to come on out to the fields to watch the games, as there will many extra games being played in order to catch up. But, you may want to bring an umbrella, a rain slicker, or if it gets really bad, maybe a kayak or canoe!!

See you at the fields, just down the street from the radio station, at 1300 River Road!
