

Englewood Men's Senior Softball League
PLAYER REGISTRATION FORM

For new players to the league, and current players electing to re-enter the draft. You must turn or be 60 or older during the year in which you select to play in the league regardless of season of play.

The league currently holds four seasons each calendar year:

- ✚ **Winter:** January thru April 1. Winter season has three divisions and players are selected via a tryout draft primarily based on ability (Gold, Silver) or a paper draft (Bronze). Advance Registration deadline is Friday before the draft day. Check league website for specific dates.
- ✚ **Spring:** Early-April thru early May. Check league website for specific dates.
- ✚ **Summer:** Late May thru early July. Check league website for specific dates.
- ✚ **Fall:** Early October thru November. Check league website for specific dates.

Spring, Summer and Fall league rosters are open to all players and teams are selected by paper draft. Depending on the number of registrants, divisions based on ability may be formed.

A signed Liability Release form is required for your first season of proposed play. Players first participating in the Spring, Summer or Fall seasons MUST also sign up for the Winter season tryouts draft, if planning to play the Winter season. If doing so, the attached Registration form is required to enter the Winter season tryout draft. A league representative will contact you in December with specifics of the Winter season draft date & time, and sign up instructions. There is a \$10.00 fee for participation in the winter draft tryouts that will be collected at the draft. Players re-entering the draft are exempt from the fee.
